

RadiCover®

Smart protection accessories

Babyalarm bags

How it works

Smart bag available in 2 sizes.

- 97% reduction of radiation, directed at the baby
- Available in 2 sizes:
 - Small: internal dimensions (WxHxD) 9 x 1,5 x 14,3 cm
 - Large: internal dimensions (WxHxD) 13,4 x 2 x 18,4 cm
- Pockets on the bag that can be used if the signal is disturbed or longer range is desired
- Colors: Black and Babyprint

- Foam insulates against cold and protects against impact
- Velcro closure so that the alarm does not fall out
- Smart "hook" for hanging the bag
- Hand washable at 30 degrees
- 2 years warranty
